

**VIDA has two requests for transcripts:
A Student Leadership Award and Tracking Service hours**

Student Leadership Award:

This award has been given out for the past 6 years. We would like transcripts to reflect this award, which is given out jointly by VIDA and DASB.

It would say something like this "This student has received De Anza College's 20xx Student Leadership Award." This award will also be recognized in the commencement program.

Tracking Service Learning:

We would track how many classes the student took which had an S in the section. Any student who has done 12 units of classes with an S, would have a notation on their transcript. We would like the transcript to say "This student graduates with distinction as a Community Engaged Scholar." This distinction is also recognized in the commencement program.
