Subject: Full-year Transfers to UC and CSU, 2013-14 to 2015-16

This report reflects data for full-year transfers to the University of California and California State University between 2013-14 and 2015-16. Since 2014-15 is the most recent data from the state Chancellor's Office, in-state private institutions and out-of-state institutions data reflects the most recent three years, 2012-13 to 2014-15.

Transfers to University of California (UC)

Admission & Enrollment

- In 2015-16, the number of De Anza students who applied to a UC is 1,485
- 69% of De Anza students who applied to a UC were admitted, down from 75% the prior year
- 76% of De Anza students who were admitted to a UC subsequently enrolled, down from 77% the prior year

Table 1: De Anza – UC Applicants: Total Admitted and Total Enrolled, 2015-16

No. of Applicants	Total Admitted	% of Applicants Admitted	Total Enrolled	% of Admitted that Enrolled
1,485	1,024	69%	776	76%

Transfers by UC Campus

- Percent change year over year
 - Between 2014-15 and 2015-16, transfers to UC declined by 39 students or 5%
 - Between 2012-13 and 2013-14, transfers to UC increased by 4% (*For reference, transfers to UC in 2012-13 totaled 727 students*)
 - Between 2013-14 and 2014-15, transfers to UC increased by 8%
- Three-year change
 - Over the past three years, 2013-14 to 2015-16, transfers to UC increased by 3%
 - The UC campuses that saw the largest change in transfer increases were:
 - UC Irvine (increased by 43%)
 - UC Davis (increased by 15%)
 - UC Santa Barbara (increased by 8%)
- In 2015-16, the UC campuses with the highest number of De Anza transferred students included:
 - UC Davis (25% of all transfers)
 - UC San Diego (22% of all transfers)
 - UC Berkeley (16% of all transfers)

Transfers to California State University (CSU)

Transfers by CSU Campus

- Percent change year over year
 - In 2015-16, transfers to CSU resulted in 30 fewer students compared to the previous year, or a 2% decrease in transfer
 - Between 2012-13 and 2013-14, transfers to CSU increased by 171 students or 14% (*For reference, transfers to CSU in 2012-13 totaled 1,225 students*)
 - Between 2013-14 and 2014-15, transfers to CSU decreased by 61 students or 4%
- In 2015-16, the CSU campuses with the highest number of De Anza transfer students are San Jose State (709), San Francisco State (207) and East Bay (141); and this is consistent with previous yearly trend
- Over the past three years, 2013-14 to 2015-16, overall transfers to CSU decreased by 7%

Transfers to In-State Private and Out-of-State Institutions

Note: 2014-15 is the most recent data from the state Chancellor's Office.

- In 2014-15, among De Anza students who transferred to an in-state private or out-of-state institution, the majority of them opted for an out-of-state institution (51%).
- Over the past three years, 2012-13 to 2014-15, transfers to in-state private institutions declined by 12%, whereas transfers to out-of-state institutions decreased only 1%.
